Good Evening,

At the end of Stage 2 of the Hearing Sessions of the examination in Public of the Welwyn Hatfield Local Plan, the Inspector identified a need for further work in relation to the Green Belt. This has now been completed by the Council's consultants, LUC, and the document can now be viewed through the link below at EX88A - EX88D.

The Inspector has asked me to write to all regulation 19 representors to notify them that this document is now available, and to invite representors who raised the issue of the Green Belt in their regulation 19 representations to submit their comments on the Stage 3 Green Belt Review.

Comments should be sent through to me at louise@poservices.co.uk and the deadline for submission of these is **Tuesday 18 September at 5.00 pm.**

Tuesday 6 and Wednesday 7 November have been set aside for hearing sessions to discuss the Green Belt Review and the sessions will be held in the **Council Chamber of the Welwyn Hatfield Council offices.**

Once the Inspector has reviewed the comments received on the Green Belt Review, further information on the hearing sessions and details for registering to take part in the sessions will be sent out at the end of September.

The dates for the Stage 6 hearing sessions have been provisionally booked for week commencing **10 December.**

Confirmation of the dates and programme will be announced following the Green Belt Review hearing sessions.

Kind regards,

Louise
