Dear Resident

RE: Verge Protection Order – Parkway Close and Honeycroft

In light of the recommendation made by the Cabinet Planning and Parking Panel on Thursday 4 October, I am writing to invite you to a meeting at 7pm in the Council Chamber, Campus East on the 24 October.

This will be an open forum for residents to ask questions about the consultation which has taken place in Parkway Close and Honeycroft, WGC. It would be helpful if you could let us know if you are able to attend the meeting and also questions that you would like to ask.

This will enable officers to find the relevant information in time for the meeting. Further questions can be asked at the meeting and officers will endeavour to answer these. If we are not able to answer the questions on the night, officers may need to come back to you with a written response after the meeting.

It is important to note that the meeting will be attended by officers and the ward Councillors will be invited to join the meeting. This is a meeting to clarify and discuss any concerns you may have with the proposals, a summary of the feedback will be presented to a Cabinet Planning and Parking Panel meeting in the future, who will be making a recommendation to Cabinet on the Verge Protection Order proposal.

Please contact Jack Carson, Parking Services Officer, on 01707 357000 or email contact-whc@welhat.gov.uk if you are attending the meeting and submit any questions you may have by 5pm on the 22 October.

Yours sincerely
