

Proposed allocation HS11 to be removed from the Green Belt: 6.02Ha

Extent of ownership: 12.10Ha

New defensible Green Belt boundary and green infrastructure: 6.08Ha.

Includes strategic planting belts, public open space and primary school playing fields.

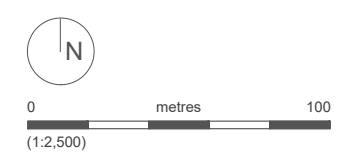

The proposal is to ensure this area of land cannot be developed in the future. This land is to be transferred to a public body to ensure the Green Belt Boundary is safeguarded.

Two form entry primary school playing fields

Ridge existing and proposed strategic planting belts

Ridge footpath and cycleway

Boundary footpath/tree planting

Project
Land at South Way, Hatfield HS11
