

Little Heath (Lhe1) Green Belt Boundaries - Photos

Aerial View - Aerial view of existing tree planting along Hawkshead Road proposed to be improved and reinforced with native species and underplanting.

VIEW A
View from within the site looking at the south western boundary along Hawkshead Road

VIEW B
View from within the site looking west at the sheds on the boundary with Videne. This boundary is proposed to be reinforced with planting.

VIEW C
View from within the site looking at the existing brick wall on the western boundary, proposed to be extended with fencing and reinforced with planting.

VIEW D
View of the NE corner of the site (the only open boundary) for which a combination of dense hedge planting interspersed with specimen trees, a SuDS ditch and fencing is proposed.
