

## Errata

### Little Heath / LHe4/5 (Videne and Studlands, Hawkshead Road) Post Hearing Session 9 Clarification of Green Belt Boundary

In reviewing **EX254J** it is apparent that the proposed Green Belt Boundary is inaccurately referred to in the text immediately below the plan. The correct wording is shown underlined below.

#### **Little Heath / LHe4/5 (Videne and Studlands, Hawkshead Road)**

#### **Post Hearing Session 9 Clarification of Green Belt Boundary**

~~Green Belt Boundary shown with dotted Green Line~~

Green Belt Boundary west of LHe4/5 shown with Red line.

The dotted green line indicates the previously proposed Green Belt boundary incorporating site LHe4/5 and drawn around Kingdom Hall, west of LHe4/5. This arose from the Council's 2020 consultation on proposed changes to the submitted Local Plan and followed 'on the ground' built features.

At the stage 9 hearing sessions it was suggested that the dotted 'Green Line' resulted in a convoluted boundary. The red line shows the newly proposed amended Green Belt boundary incorporating land west of LHe4/5. It shows the Play Area remains in the Green Belt while Kingdom Hall and buildings to the rear of the site are shown as removed from the Green Belt.
