Comments	24/05/2022 - Lorraine Davis - The development could be incorporated onto the existing ARRC scheme. The houses would each receive a set of bins (1 x 180l refuse, 1 x 240 recyc + food caddy) at cost ?75.00 per dwelling. The flats share a communal bin store and would require 1 x 1100l + 1 x 360l refuse containers, 1 x Mini Recycling Centre, 2 x 240l food waste bins. Total cost of all receptacles ?9525.98 I did not see tracking diagram to service the flats and maisonettes (plots 22-35), Can you please provide. Also I attach our freighter spec, please ensure that your large freighter tracking diagrams are in line with this spec.
